

On Your Plate

We will only ever serve you food we'd be happy to be served ourselves, which is why all our chicken and eggs are free-range. Even our ice-cream. So is our pork. Our steak is dry-aged Aberdeenshire beef. We avoid air-freighting fruit and vegetables by buying seasonal British produce wherever possible. Our cheeses come from artisan producers and are properly aged. Sourcing the best quality fresh ingredients from ethical producers costs us more, but we know that if we can trust our suppliers, then you can trust us.
