

We only ever serve food we'd be happy to be served ourselves. All our pork, bacon, chicken & eggs are free-range. Our beef & lamb are British & we visit the farmers regularly. To avoid air-freighting, we buy seasonal British fruit & veg & sustainable native fish wherever possible. But sourcing the good stuff is pointless without properly skilled chefs, determined to turn it into honest plates of food every day. So we invest in that rare breed too.
